Teachers will:

- Post a weekly assignment to be completed by all students. This assignment will align with the competencies being completed in class.
- Provide extension activities for all students. This will allow each student to demonstrate mastery (emphasis on virtual learning students).

Students will:

- All students - Attend classes as listed above
- All students - Complete weekly assignment as specified by the instructor
- In-person students - Attend class on assigned days
- In-person students – Are encouraged to bring their own water bottles and Chromebooks
- In-person students – Wear appropriate PPE while in school and on the bus
- Virtual students – Attend classes during scheduled times
- Virtual students - Complete extension assignment weekly

Parents/Guardians will:

- Take their student(s) temperature before their student attends in-person learning at CATN.
- Ensure student(s) have appropriate Personal Protective Equipment (PPE) including a mask, Chromebook and water bottle.
