

## African American Culture Club/ Black Faculty and Staff Association Scholarship 2021

Application Link: <https://jhuapl.classe365.com/form/view/AACCBFSAScholarship2021>

The [Johns Hopkins University Applied Physics Laboratory](#) (JHU APL) African American Culture Club/Black Faculty and Staff Association (AACC/BFSA) has established a scholarship to assist graduating high school seniors who plan to attend college with a major in a Science, Technology, Engineering and Math (STEM) discipline. It provides a one-time undergraduate scholarship of **\$1,000** to selected high school students, including socio-economically disadvantaged minorities and women who might not otherwise be able to attend college.

Students must meet the following minimum requirements in order to be eligible for this award:

- Resident of Maryland, Northern Virginia, or Washington, D.C.
- Graduating high school senior with plans to attend a four-year college or community college as a full-time student
- Have a 3.0 or higher GPA (un-weighted)
- Have a B average or above in mathematics and science courses
- Student must plan to major in a STEM discipline

The online application should include:

- A personal statement (double-spaced, 250 - 500 words).
- Unofficial copy of your high school transcript.
- One reference (from a teacher or counselor who knows you well).
- Copy of your SAT scores or ACT scores (Optional).

**The application deadline for all materials is April 30, 2021**, except for recommendation forms, which are not due until May 8th, 2021.

Questions can be directed to: [aacbfsscholarship@jhuapl.edu](mailto:aacbfsscholarship@jhuapl.edu) - 240-228-2727
